Dear Hiring Manager,

I am excited to apply for the Farm Warehouse Officer position at Dabo Farms Limited. With a Bachelor's degree in Agricultural Engineering and three years of experience in supply chain management, I am confident in my ability to support efficient warehouse operations at Dabo Farms.

As a Technical Assistant at the Cocoa Health and Extension Division (CHED), I managed the distribution and inventory of agricultural supplies, leading a team of 40 to exceed targets by 23%. My skills in record-keeping, process optimization, and team supervision ensured smooth and timely task completion, while effective communication allowed me to work seamlessly with farmers and stakeholders.

I am eager to leverage my background in agriculture and proven warehouse management skills to contribute to the success of Dabo Farms. Thank you for considering my application. I look forward to the opportunity to discuss how I can be an asset to your team.

Sincerely,

Christopher Eshun
